We are already on our journey, and should be continually preparing for it. How? Is this the right question? There are as many ways to prepare for this journey as there are people living on this earth.

The Church is here for those of us who are blessed with belonging to Christ. The Lord knows the ways of many who haven't found nor encountered Him. It is not for us to decide. But we know Christ, we partake of His Body and His Blood, we stand at the foot of His Cross, we know His Love... Love Him back! Always and forever, this is the answer:

Love Him back!

Matushka Juliana Schmemann, the beloved wife of the late Father Alexander Schmemann, offers a fresh perspective concerning the role of women in the Church and, more germane, in the context of our modern world.

Her words are like a flowing river that, through its passage, rejuvenates all – the land, the people, life, the spiritual garden. A simple, clear, mature affirmation and witness of a life worth living, with Him, in Him, by Him and into His service.

The book has been enriched by the beautiful illustrations of Anna Dumoulin-Tregubov, an accomplished young iconographer and artist from New Hampshire.
