**WITH PAIN AND LOVE**  
for Contemporary Man  
by **Elder Paisios of Mount Athos**

*It is good to have the intellectual powers  
that take man to the moon costing  
billions of dollars in fuel expenses and so  
on, but it is better to have the spiritual  
powers that raise man to God, his  
ultimate destination, with only a bit of  
fuel, a mere dried piece of bread.*

—Elder Paisios
